

## FAQs

Q. Can the system work on any board?

A. Yes, it can. You can even use the pelmet screen as the interactive board. If you haven't got one, use the classroom wall.

Q. Can I write on the board and save it on my computer?

A. Yes, you can. Use the infrared pens to write on the screen and save as normal.

Q. How long does the battery in the pens and Remote last?

A. It depends on usage. But generally about 2 hours. The batteries supplied can be re-charged. You need one AA for each infrared pen and two AAs for the Infrared Remote.

Q. How many "DIY" interactive kits do I need with 3 classrooms?

A. You need one kit per classroom.

Q. We don't have a projector yet, can we use it?

A. No, get a projector installed first.

Q. Can you help us to install & show us how to use the package?

A. Yes, but there will be a small charge for the installation and the training.

To order your "DIY" interactive package contact:
